School Uniform Policy

Purpose for uniforms:

The uniform is recognized by the general public as being specific to our school.

The uniform should instill a sense of pride in our school. Students wearing the uniform are, at all times, diplomats for the school representing the school body rather than been seen as individuals. Students should be aware of this.

When they wear the uniform they should conduct themselves in a manner befitting the school name and reputation.

By wearing the uniform the clothing bill for parents has eased as well as preventing competition between students with brands names.

Special Class:

Due to individual circumstances pupils in the special class can be exempt from the school uniform policy if required.

Full Uniform:
